Why Sarik Represents OrbRom Quality

Sarik brings a strong foundation in psychology and therapy, with a focus on child counseling and behavioral support. Her training and practice reflect a balance of academic preparation and hands-on experience. She provides structured, compassionate, and evidence-based support, reflecting OrbRom's standards of quality, care, and integrity in every session with children and families.

Core Strengths

- Empathetic and child-centered therapist
- Skilled in behavioral interventions and counseling techniques
- Effective communicator across families and teams
- Organized and adaptable in professional practice
- Passionate about children's mental health and well-being

Roun Sarik is a **dedicated therapist** who combines her academic background with practical skills in child counseling and behavioral support.

Her work bridges therapeutic care and family collaboration, offering a structured and nurturing approach that aligns with OrbRom's inclusive, child-focused mission.

She is deeply committed to helping children reach their fullest potential, while ensuring families feel supported and empowered throughout the process.

Through her professional dedication, Sarik reflects OrbRom's vision of providing high-quality, compassionate care for every child.
